PROFESSIONAL EXPERIENCE

Business Analytics Intern
Nubank

01/2021 - Present

Achievements/Tasks

- Developed and automated data validation processes
- Developed and maitained lending risk monitorings
- Responsible for lending core datasets governance and development

Applications Intern
IBM

07/2021 - 12/2021

Achievements/Tasks

- PL/SQL and Java Applications Maintenance
- Applications Development
- Applications Testing and Reporting Errors

National Currency Intern
Voiter

03/2021 - 07/2021

Achievements/Tasks

- Automated operation reducing 20% of the processing time
- Created dashboards to control theoperations
- Responsible for contractual documentation

Cofunder and Director
HIPPO Atlhetics (Student Organization)

12/2019 - 12/2021

Achievements/Tasks

- Developed the organization financial plans
- Control the banking transactions
- Analyze and approve budgets

ACADEMIC EXPERIENCE

Bachelor in Industrial Engineering
ESEG -Escola Superior de Engenharia e Gestão

02/2019 - Present   *Until: 12/2023*

Exchange in Industrial Engineering
Icam - Grand-Paris-Sud

01/2023 - Present   *Until: 07-2023*

Courses

- Researche Project: Development of a Intelligent System using Deep Learning for Industry 4.0

SKILLS

Python	Spark Scala
A/B Testing	Statistics
Machine Learning	SQL
Artificial Intelligence	Data Analytics
Web Scraping	Django
Javascript	Java
CSS	HTML
Git	Arduino
React Native	

EXTRACURRICULAR

Artificial Intelligence Group (Scientific Initiation) (04/2020 - 12/2022)

- Developing an academic platform supported by machine learning algorithms.

Blog LearningData (05/2021 - Present)

- Data Science, Machine Learning, and Artificial Intelligence articles and projects.

COURSES AND CERTIFICATES

TOEFL iBT - 100 (02/2021)

Advanced Learning Algorithms (07/2022)
Stanford

Supervised Machine Learning (07/2022)
Stanford

Advanced Styling with Responsive Design (07/2022)
University of Michigan

Interactivity with JavaScript (07/2022)
University of Michigan

Foundations: Data, Data, Everywhere (05/2021)
Google

Introduction to Data Science (05/2021)
IBM

Learn Programming with Java (08/2021)
Udemy

Bootcamp Machine Learning Analyst (07/2020)
XP Education
